Medical

When are updates available?

- Bell County Public Health District website bellcountyhealth.org will update by 2pm daily
- Press conferences are scheduled as needed
- Watch the local media for information

What are the most common symptoms of COVID-19?

The following symptoms may occur after 2-14 days of exposure:

- Fever, cough, shortness of breath
- Fever can be low grade such as 99.0^F
- Cough may be productive or not
- Chest pain

When should I seek emergency medical attention?

- Severe difficulty breathing or shortness of breath
- Persistent pain or pressure in the chest
- New confusion or difficulty to arouse
- Bluish lips or face

How do I seek medical care?

- Call your local provider prior to your visit
- If you do not have a provider, Baylor Scott & White will assign one to you, via <https://my.bswhealth.com/login>
- Click on set up an account and follow the prompts
- You will fill out a short COVID-19 screening form, and be able to have an e-visit with a provider to see if you need testing.

Can I meet with out of county health care providers?

- Yes

How does the virus spread?

- Spreads from person to person between people who are in close contact with one another closer than 6 feet via respiratory droplets produced when an infected person coughs or sneezes.
- These droplets can land in the mouth or nose of people who are nearby or possibly be inhaled into the lungs

Can a person develop an immunity?

- Research is currently insufficient

Who is considered a direct contact?

- Person within approximately 6 feet (2 meters) of a COVID-19 case for a prolonged period of time; close contact can occur while caring for, living with, visiting, or sharing a health care waiting area or room with a COVID-19 case
- Having direct contact with the infectious secretions of a COVID-19 case such as being coughed on

How do I protect myself?

- Washing your hands OFTEN for at least 20 seconds with warm water and soap especially after being in a public place or blowing your nose, coughing or sneezing
- If soap is not available use a hand sanitizer.
- Sneeze into a tissue and toss in the trash, then wash your hands
- Avoid touching your eyes, nose and mouth with unwashed hands
- Maintain social distancing. Stay at least 6 feet apart from others in public
- Limit close personal contact with others in public

How do I know if I am at higher risk of severe illness?

- Over the age of 60
- Heart disease
- Lung disease including asthma
- Kidney disease
- Diabetes
- Pregnant women
- Immunocompromised such as HIV, autoimmune diseases, and cancer

How can I clean and disinfect my surroundings and laundry?

- Wear gloves when possible when cleaning
- Clean and disinfect frequently touched surfaces such as tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- If surfaces are dirty, clean them using detergent or soap and water prior to disinfection. To disinfect, most common EPA-registered household disinfectants will work. CDC has a 7 page list of cleaners on their website
- Lysol or Clorox cleaners are preferred. Items such as baby wipes will not kill the virus
- A bleach solution for surfaces can be made using 1/3 cup bleach per gallon of water or 4 teaspoons bleach per quart of water
- For clothing, use the warmest water and launder as labeled
- Use a separate laundry bag for people infected

Can I still go to my therapy appointments?

- Therapy such as physical therapy, occupational therapy, acupuncture, and chiropractic care are medical care visits and are permitted. All are encouraged to follow CDC guidelines for proper personal protective equipment (PPE), follow social distancing when possible, and stay home when sick.

Can I visit my family in the nursing home retirement facility or long-term care facility?

- No, visitation is prohibited per the governor's executive order with the exception of those that provide critical assistance.

Restaurants/ Food Services

How does this declaration affect my restaurant?

- Restaurants are **not** allowed to offer dine-in options, either inside or outside
- Take-out, drive-thru, curbside pick-up and delivery options with minimal contact are permitted
- Delivery of to-go food orders may include alcoholic beverages (beer, wine, and mixed drinks)
- Management needs to limit the number of patrons in the restaurant to 10 people or less

- Management encourage any lines that form outside to use the 6 foot rule between patrons (social distancing)
- Patrons may enter the restaurant to pick up food, following social distancing rules

How does this affect my bar?

- Establishments that sell alcoholic beverage for on premise consumption, including a bar, lounge, tavern or private club, must close

Can my hotel/motel still serve breakfast?

- The hotel can provide room service or to go bags to patrons

Can food trucks or ice trucks still provide services?

- Yes, both are providing food in a curbside style delivery method.

Entertainment

What determines a social gathering or space?

- Any indoor or outdoor event that brings together ten or more persons at the same time in a single room or other single confined or enclosed space
- A 'confined' or 'enclosed' space includes any area that has a barrier such as a fence or railing or other barrier on more than one side of the area

Can I work out with my trainer?

- No

Can I provide/receive lawn mowing and landscaping services?

- Yes

Are outdoor recreational areas open?

- Yes, and social distancing is encouraged

Are docks and marinas able to remain open?

- Yes, and social distancing is encouraged

Are bait shops open?

- Yes, and social distancing is encouraged

Can pool maintenance companies be open?

- Yes, they are considered essential for sanitation

Religious Services/ Weddings/Funerals

Can we still hold Religious services?

- Yes, but places of worship are strongly urged to seek alternative ways to provide worship services, like livestreaming and videoconferencing. Churches should strongly consider the demographics of their congregation before attempting to conduct 'normal' worship services.

Can we still have the wedding?

- Weddings are limited to ten people or less and social distancing should be maintained
- Please contact the wedding venue management for information related to refunds, cancellations, rescheduling, etc.

Can we still have the funeral?

- Funeral services are limited to ten people or less and social distancing must be maintained
- If possible, make special provisions for at risk people, such as the ante room or CCTV

School ISD

- Any questions related to school closures, openings or activities, please direct to the appropriate ISD.
- Schools shall be temporarily closed until 11:59 pm on April 3, 2020 per the Governor's Executive Order.

Daycare Facilities

Does my daycare have to close?

- No, not at this time but encouraged to follow CDC guidelines for proper personal protective equipment (PPE), follow social distancing, and stay home when sick
- To the extent possible, it is recommended that groups consist of not more than 10 and kept separate from other groups

Exempt Businesses

'Gathering' rules does not include the following or other similar uses so long as social distancing is being practiced

- Airports, bus stations or terminals only if waiting on transit and maintaining social distancing
- Office spaces, public and private schools, residences or any type of temporary sheltering or housing
- Grocery stores, convenience stores, shopping centers or malls or other retail and business establishments
- Hospitals and Medical facilities
